

## **“U.S. Efforts to Operationalize One Health”**

### **Colin Basler DVM, MPH, DACVPM, Deputy Director, One Health Office, National Center for Emerging and Zoonotic Infectious Diseases, U.S. Centers for Disease Control and Prevention**

Dr. Colin Basler is the Deputy Director of the CDC’s One Health Office and the CDC One Health Liaison to the World Organisation for Animal Health (OIE). Dr. Basler has a Doctor of Veterinary Medicine and a Masters of Public Health from Tufts University. Before joining the One Health Office, Dr. Basler trained as a CDC Epidemic Intelligence Service (EIS) officer and later worked as a veterinary epidemiologist investigating foodborne and zoonotic disease outbreaks with the Outbreak Response and Prevention Branch (ORPB) within the Division of Foodborne, Waterborne, and Environmental Diseases (DFWED). He is also a diplomate of the American College of Veterinary Preventive Medicine.
